

DRESS UP YOUR FACILITY THIS FOOTBALL SEASON...

Vipol® Matrix Mesh Bench Zone® Sideline Turf Protectors protect your Natural Grass Field and cannot be penetrated by cleats. Thousands are in use by High Schools, Colleges, and Professional Teams. Available with or without Chroma-Bond® Imprinting in 23 colors. Geotextile Turf Mats also offered in Black only.

Protect your Sidelines and End Zones with A-Flex™ A-Frame Signs and TD Zone™ Goal Post Pads. Perfect for both Branding and Corporate Advertising. Available in 17 different Vinyl Colors with Chroma-Bond and Chroma-Bond Digital Imprinting.

Made of our exclusive Vipol® Matrix, Tuffy® Windscreen is super durable because it contains over 50% more micro-fibers than standard windscreens. It's virtually tear-proof and is backed by a 5-YEAR limited factory WARRANTY. Includes 3-Ply Reinforced Edging all around the perimeter and the highest quality brass grommets are installed every 12" O.C. Every end and corner is DOUBLE lock-stitch finished to eliminate the unraveling problem of fully chain-stitched windscreens. Imprinting is available.
