

CUSTOM BRANDED PORTABLE HAND SANITIZING STATION

Looking for the perfect tool to welcome your customers or visitors while providing access to a sanitation resource? Serving a dual purpose, custom hand sanitizer stands are designed to be noticed and help keep your business environment clean. To create a fully customized display, full-color graphics can be printed on the front, back, and sides of the free-standing station. The material is durable, weatherproof, and easy to set up in even the busiest of indoor or outdoor locations. Our unique design works with any touch-free or manual hand sanitizing dispensers.

Connect guests with your brand and convey the message that health and safety is a top priority. Let us know how we can help create customized hand sanitizer stands for your establishment today.
