

## Tuffy® Windscreen

- Made of exclusive VIPOL® Matrix, with 50% more micro-fibers than standard windscreens
- Edging fully wrapped with VIPOL® Matrix to eliminate grommets pulling through
- Toughest, super durable tennis windscreen carries 5-year limited factory warranty
- Chroma-Bond® Imprinting adds the final professional look

## Aer-Flo® VCP Windscreen

- Highest quality of all value priced vinyl coated polyester windscreens

Official Windscreen of  
US Professional Tennis  
Association

## Aer-Flo® Vinyl Windscreen

- Minimizes problems of wind and background visual distractions

## Duo-Screen™ Windscreen

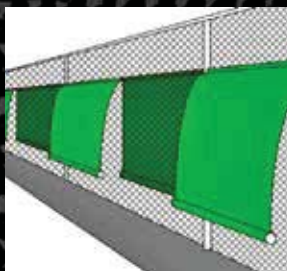

- Joins Tuffy® and vinyl windscreen for improved vision background

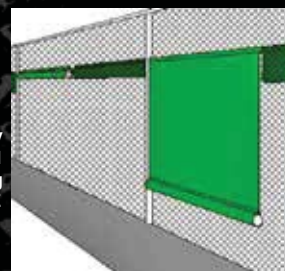

## Tuffy® Ballasted Windscreen

**NORMAL POSITION:**  
In calm to low winds, units stay in vertical position. Ballasted PVC pipe is in the reinforced pockets at the bottom, and only the top is attached thru grommets.

**STORM POSITION:**  
As winds exceed 20 mph, units billow and allow potentially damaging high wind to pass thru, helping to PROTECT FENCE and WINDSCREEN

**TIE-UP FEATURE:**  
Built-in hook & loop strips at top allow one person to roll up and secure entire unit in less than 30 seconds. Also useful for better tournament viewing.
